

August 26, 2024

Nikkei Siam Aluminium Limited

Notice of Exhibit at “The 14th - Bangkok Refrigeration, Heating, Ventilation, and
Air-Conditioning” Bangkok RHVAC 2024

Nikkei Siam Aluminium Limited ("NSA") will exhibit at "Bangkok RHVAC 2024".

The exhibition is held every two years and features approximately 300 companies and 1,000 booths from Thailand and other ASEAN countries.

Continuing from the year before last, NSA's Heat Exchanger Division, Sheet Division, and Panel Division will exhibit the following refrigeration/freezing related products for the purpose of business development for the future.

We hope you will take this opportunity to view the exhibition and we look forward to seeing you there.
